

SeniorAge Alert Program

NAME (Please Print): _____

As indicated below, I authorize SeniorAge Area Agency on Aging (SeniorAge) to provide me with disaster service notifications, helpful senior living tips, fraud alerts, and important information through the avenues I have chosen. I may opt-out of any of the services at a later date by calling 417-862-0762. I understand that I am responsible for notifying SeniorAge if my cell phone number or e-mail changes so that I don't lose any of these free services.

SeniorAge services in each category will be limited to approximately 2-5 messages per month. We will not, in any circumstances, share your personal information with other individuals or organizations without your permission, unless required by law.

Check all the services you would like to receive.

Please send text messages to my cell phone. (If you do not have unlimited texting, standard text messaging, data, and phone rates may apply to any messages received from SeniorAge. SeniorAge is not responsible for payment of those fees). *If you choose to remove this permission, you can reply "Stop" to the text alert, at any time, or by calling 417-862-0762.*
